南方大学学院简介

Introduction to Southern University College

南方大学学院的前身为宽柔中学于1975年成立的宽柔专科部。1986年，宽中董事会正式向马来西亚教育部申请于宽柔专科部的基础上成立一所民办学院。在华社人士的坚持和极力争取之下，终于在1990年获教育部批准创办南方学院，为马来西亚第一所华社民办非营利高等学府。经历二十二年的苦心经营，高等教育部于2012年8月正式批准南方学院升格为南方大学学院。迄今经历了44年的发展进程。

南方大学学院坐落于马来西亚柔佛新山士古来区，位于“马来西亚依斯干达”（Iskanda Malaysia）经济特区内随着经济特区的建设发展，南方大学学院在未来将跃升为国家重点发展院校之一，走向国际舞台。南方大学学院的校园风景宜人，富有浓厚的中华民族色彩及多元文化气息，体现多姿多彩、共荣共存的特色。

目前，南方大学学院共有7个学院2个学部及4个研究机构。7个学院为：人文与社会学院、企业与管理学院、艺术与设计学院、电机与电子工程学院、中医药学院、教育与心理学学院以及南方技职学院(SITE)。2个学部为：大学基础学部及专业教育与推广学部（SPACE），4个研究机构：华人文化与族群研究所，亚洲文艺复兴与跨文化书院，研究生与研究院，马来语言与文化研究所。南方大学学院在新发展愿景中，规划于2021年前升格为完整的大学，在2030年成为国际知名的大学。

Southern University College (also known as Southern UC) attained its current status in 2012. It was previously known as Southern College - established in 1990 as the first non-profit institute of higher education in Malaysia to provide a local educational channel for high school graduates who were unable to further their studies in foreign countries or gain admission to other local tertiary educational institutions.

Historically, Southern UC has its origin 44 years ago (in 1975) in Foon Yew High School, Johor Bahru, offering an Advanced Studies Programme. In 1986, the Foon Yew Board of Directors applied to the Ministry of Education to set up a community funded college. Through the persistent effort of the Chinese community leaders, approval was subsequently obtained from the Ministry of Education in 1990 for the establishment of Southern College.

Southern UC is located in Skudai, Johor Bahru, Malaysia; an area within the Iskandar Malaysia Economic Zone. Following the development of Iskandar Malaysia Economic Zone, Southern UC will be one of the important educational institutions in Malaysia, and has poised itself to become an international educational institution. The Southern UC campus is a scenic spot, rich in Chinese traditional colours and a multicultural atmosphere that encompasses the spirit of co-existence and multi-culturalism.

Currently, Southern UC has seven faculties, three schools, and four research institutes. The seven faculties include Faculty of Humanities and Social Sciences, Faculty of Business and Management, Faculty of Art and Design, Faculty of Engineering and Information Technology, Faculty of Chinese Medicine, Faculty of Education and Psychology and Southern Institute of Technical Education (SITE). The three schools comprised the School of Foundation Studies, School of Tourism Hospitality Management (THM), and School of Professional & Continuing Education (SPACE). The four research institutes include the Institute of Graduate Studies and Research (IGSR), Research Institute of Chinese Ethnicity & Culture, Asian Renaissance and Literature Lyceum, and Research Institute of Malay Language and Culture. Southern UC is planning to become a full-fledged university by 2021, and to become a well-known International University by 2030.

Chairman of the Board of Directors
of Southern University College

南方大学学院作为马来西亚第一所华社民办大学，在过去的44年中经历了各种严峻考验，发展道路虽崎岖不平，却秉承先贤奠定的强稳基础，竭力传承优秀办学精神。在各个发展阶段中，有幸获各界热心人士、社会贤达和工商俊彦给予鼎力支持与捐助，才达致今日办学规模，本校全体同仁铭感五内！

在各方面的紧密配合之下，本校在软硬体设施、招生、师资及科系课程等方方面面都有不俗的进展。硬体建设始于主楼，随后逐步增设了综合大礼堂、中医大楼、专家楼、学生宿舍楼及国际教育感恩大楼；软体设施也跟随学生学习需要而跟进，朝向校园全面电子化的目标。

本校学生人数已从2012年升格大学学院时的1500人逐步跃升至今日的近3000人。7大学院、2大学部、3个研究单位和研究生与研究院为教学和学术研究，通过逾50个各级课程，含两项博士研究学位、3项硕士研究学位、20项本科学士学位、20项专业文凭课程及多项与外国著名大学联办的优质大专课程，尽心尽力培养专科生、本科生及硕博研究生。

教育的目的乃发挥教化解惑功能及为国家培训各行各业所需要的精英人才，需有精良师资团队才能达致此重大教育目标。本校目前拥有强大的师资阵容，拥有硕士以上学位的资深教学人员占讲师总数的95%强，而当中近三分之一拥有博士学位，有充分的能力为学生提供高水平教

学服务。

本校已开展《第三个五年转型革新发展规划》，涵盖第二校园建设规划及达成升格为完整大学的宏愿。通过全体同仁的积极努力及华社和政府的支持，我们有信心在不久的将来达成升格为完整大学，实现华社创办最高学府的宏伟目标。

本校当务之急乃尽快缩小新旧校舍及学生宿舍的差异鸿沟，让全体师生享用相近的服务。急需处理的项目包括提升主楼校舍的各项设施、维修已残旧的4栋旧学生宿舍及达致校园全面电子化的目标。有鉴于此，南方大学董事会决定筹募教育基金来应付发展需求。

我们将通过庆中元与神庙庆典义标活动、916慈善高尔夫球赛及校庆晚宴等活动进行募款，筹款目标为500万令吉。在此经济前景不太明朗时期，大型筹款对新届董事会可说是一项严峻的挑战和考验。任务虽然艰巨，为了满足教学需求及塑造优良教学环境，我们将竭尽所能，全力以赴。

为了达致此庞大筹款目标，恳切希望各界商翁及社会热心人士能够再次给予鼎力支持与协助，参与本校的《教育慈善家俱乐部》计划，为伟大教育事业贡献力量。对于大家的仁风义举及慷慨解囊，我谨代表南方大学学院全体董理事、教职员和学生致以最崇高的敬意和谢意！

As the first Chinese community-based university in Malaysia, Southern University College has been through many ups and downs throughout the past 44 years. With the challenges in its development, Southern UC strives to pass on the spirit laid by the pioneers with a strong foundation in education. We are honoured and grateful to receive substantial support from people from all walks of life, which makes the development journey this far.

With the close cooperation of all parties, Southern UC is able to have remarkable progress in software and hardware facilities, student enrolment, lecturing qualities, and the number of courses. The hardware facilities that were first set-up in the main building have been gradually extended to the multipurpose hall, Southern TCM Centre, the experts quarter, students hostel, and International Education Building. The development of the software facilities is tailored to the students' learning needs, heading toward a fully electronic supported campus.

The number of students in the University College has increased from 1,500 people in 2012 to nearly 3,000 today. There are seven faculties, two schools, three research units and an Institute of Graduate Studies and Research forming the academic and research team, with more than 50 courses at various levels, including two PhD programmes, three Master programmes, 20 Degree programmes, 20 Diploma programmes and a number of high-quality tertiary courses jointly organised with prestigious universities around the world, aiming to offer quality education for the students.

Education plays a crucial role in enlightening people and developing well-rounded individuals to contribute to society. A professional academic team is indispensable to achieve this important educational goal. Currently, more than 95% of the teaching staff hold a master's degree or above, with nearly one-third of them are PhD holders. Hence, Southern UC is undoubtedly ready to provide students with quality education.

Southern UC has launched its "3rd Five-Year Transformation Plan," including the formation of a second campus, and the vision of a full-fledged university. With support from the Chinese community, the government, as well as the commitment of all colleagues, we are confident that we will be able to attain the vision in the near future and thus realising the ultimate goal of establishing the highest education institution ever in the Chinese community.

Currently, the urgent task of Southern UC is to narrow down the gap between the old and new campus buildings, and also between the old and new student hostels as soon as possible, so that all lecturers and students will be able to enjoy similar service quality. The projects that are urgently addressed include upgrading the facilities of the main building, repairing four blocks of old student hostels and achieving the goal of a fully electronic supported campus. In response to the financial needs, the Board of Directors of Southern UC decided to raise education funds to meet its future development needs.

A variety of activities will be held including, the Zhong Yuan Festival charity, 916 Charity Golf Tournament, and Anniversary Dinner during to raise RM5 million fund. During this economic uncertainty, fundraising can be a serious challenge for the new board of directors. Despite the arduous task, we will do our very best to meet the teaching needs and create a conducive learning environment for our future generation of students.

In order to achieve this enormous fundraising goal, we sincerely urge all entrepreneurs and enthusiasts from all walks of life to show us support by participating in the Education Philanthropist Club and contribute to the great cause of educating our next generations. On behalf of all directors, staff, and students of Southern University College, I would like to express my utmost respect and gratitude for your benevolence and generosity.

从1975年的宽柔专科部，到1990年代的南方学院，再至2012年南方升格为大学学院，作为马来西亚华社民办的第一所高等学府，南方大学学院的一砖一瓦都有着各位社会贤达、善心人士的献力和付出。

这些年来，南方大学学院的校务发展不断前进，学生人数也有所增加。在建校发展过程中，各项软硬体建设亟需巨资，才能更有利于学校整体素质的提升。而南方大学作为民办高等学府，是各位贤达合力建起来的高等学府，社会的献力一直是南方大学学院建设发展一支强而有力的资源。从新山中华公会整合力量共建南院，至萧畹香先生在关键时刻的慷慨献地，长青松柏献南院，展开植树人运动，各善心人士和团体通过义演、义宴、义卖、义驶、义剪、义走、会庆、神诞、庆中元、祝寿、新婚、新张启业和丧礼节约等都为南方大学学院献出了爱心和善款。

筹款过程虽艰辛，热心人士四处奔波，却也感动人心，句句是感恩。而一些个人或团体的巨款捐资，更是南方教育慈善家的典范，儒商之风范。

如今，南方教育慈善家具乐部的成立，旨在对长期以来捐助南方大学学院的社会贤达、善心人士的肯定。也希望各位继续支持南方大学学院的发展，共为民办高教而努力。感激感恩。

Throughout the years, Southern University College has been showing improvements in its development and the number of students. During the development stage, Southern UC is always in need of huge sums of fund for various software and hardware facilities so as to enhance the overall quality of the education provided. The contribution and donation from the general public have always been a strong and powerful foundation for the establishment and development of Southern UC. From the efforts by Johor Bahru Tiong Hua Association in gathering strength for the setting up of Southern College, Mr Siow Wan Heong's generous donation of land at the crucial moment, to the launch of Evergreen Tree Planting activity, charitable individuals and organizations have been showering Southern UC with lots of generosity and support through a variety of events such as charity performances, charity dinners, charity sales and all kinds of events.

Although the fundraising process is difficult, it is truly encouraging and touching to see enthusiastic individuals helping out here and there for the development of education. The donation collected from individuals or organizations who are the role models of Southern education philanthropists, demonstrating the spirit of Confucianism.

Today, the aim of establishing the Southern Education Philanthropist Club is to acknowledge the commitment and contributions of philanthropists to Southern UC all these times. I sincerely hope that everyone can continuously support Southern UC for the great cause of community-based higher education institution. Every effort counts, your generosity and support will be greatly appreciated.

南方教育慈善家俱乐部

南方教育慈善家俱乐部——缘起

从宽柔专科班到南方学院，再升格到大学学院，本校正朝着完整大学迈进。这40多年间，有无数的热心人士为兴办教育出钱出力，筹得无数的善款，得以发展本校的硬体建设。同时，每年的庆赞中元节组织也为本校筹得无数的奖助学金，造福本校的莘莘学子。

随着本校学术上的进步，学生人数的增加，依靠华社各阶层人士的支持，本校方能茁壮成长。但本校仍然需要扩大与加深社会热心人士的支持与认同。

对外，本校为了让捐款人知道、认识、认同本校的办学理念，熟悉学校的运作与方针。对内，为了集思广益，将学校办得更好，及获得全国华社的支持，本校发展委员会成立“南方教育慈善家俱乐部”，鼓励与表扬为本校积极付出的热心人士成为俱乐部的一员，以表达对他们的敬意与谢意。同时将所有的筹款力量整合，达成更好更有效的沟通平台，让捐款人或社团组织的领导，能够为本校未来发展提供意见与咨询。大家团结一致，让本校在办学上与社会的认同上有更加突出的表现。

俱乐部的成立，也起了号召与宣传的功用，号召更多的善心人士一起共襄盛举，极力发展教育，让中华文化得以发扬光大，造福更多的莘莘学子，让南方学院大学秉承“宽柔以教，南方之强”的概念，朝一间完整大学迈进。

The Origin of Southern Education Philanthropist Club

From the Foon Yew Advanced Studies Centre to Southern College and later Southern University College, Southern UC is moving towards becoming a full-fledged university. Over the past 40 years, many education enthusiasts have been contributing to and supporting the development of Southern UC. The donation raised has helped to upgrade both hardware and software facilities. The Zhongyuan Festival group also raises a number of donations every year for the scholarships and study grants for students studying in Southern UC.

As Southern UC grows academically, the students' enrolment shows improvements, and with the support of people from all walks of life, it enables Southern UC to continue striving forward. However, Southern UC will still need continuous guidance, support, and recognition from the community.

To introduce the university's educational philosophy, operation, and mission to every donor, Southern UC always encourages and inspires all colleagues to brainstorm towards the common goals. To ensure continuous support from the public, the Development Committee of Southern UC sets up Southern Education Philanthropist Club, and with utmost respect and gratitude, the committee invites those who have actively contributed to the university to be members of the club. This club serves as a platform towards achieving a better and more effective communication for community and organization leaders in providing advice and consultation on the future development of the university college. With united spirits, Southern UC will definitely show prominent achievements in the future.

The establishment of the Club will inspire and encourage more charitable people and education enthusiasts to join and put effort together to develop education while promoting Chinese culture and benefiting more students. With this, Southern UC will move forward on the path and hurdle through all challenges and obstacles, towards the vision of becoming a multi-paradigm university.
