南方技职学院
Southern Institute of Technical Education, SITE

为配合国家技职教育的发展， 南方技职学院 (Southern Institute of Technical Education, SITE) 成立于2017年，是南方大学学院七大学院之一。它积极推动多元教育发展，同时也提供青年及社会人士进修专业技职课程的平台。

In response to the vision given by Malaysian Government to promote vocational education, Southern Institute of Technical Education (SITE) was established in 2017 to promote a diversi- fied education development and provide a platform for the youth and general public to further advance their vocational skills.

峇株PLT工艺学院
PLT Batu Pahat Institute

峇株PLT工艺学院是一所提供多种具备学术性与技术性课程的学院。它秉持着"掌握科技，与时并进"的信念，以培育出知识与技能并重的工业科技专才为目标。

峇株PLT工艺学院也是一所能够让学生考取国家技能发展局的技术证书和文凭的学院，提供升学与就业能力□备的理想求学地点。目前所提供的课程有电脑工程、电机与电子工程。

PLT Batu Pahat Institute is a technical and voca- tional training centre. It adheres to the belief of "Mastering Technology and Keeping Pace with the Times", aiming at cultivating industrial technology professionals with equal knowledge and skills.

Students from PLT Batu Pahat Institute have the opportunities to obtain Sijil Kemahiran Malay- sia (SKM) and Diploma Kemahiran Malaysia (DKM) which awarded by Jabatan Pembangu- nan Kemahiran (JPK), thus increasing their advantages of future employment. At present, PLT Batu Pahat Institute has provided programmes of training namely Computer System Engineering and Electrical & Electronic Engineering.
